- Ballots will be mailed beginning May 7, 2018

### **Choose how to return your ballot**

- By mail, at a Ballot Drop Box, or at a Vote Center!

### **Vote Centers will replace traditional polling places**

- Voters can vote at any Vote Center in the County!
- Vote Centers open beginning May 26, 2018

# Your Voice, Your Choice!

**Beginning with the June 2018 Primary Election**, Sacramento County will be one of five counties in California to implement the Voter's Choice Act (VCA). Voters will notice many positive changes this year, including new voting technology. The new voting system will support Sacramento County's paper balloting method, and bring new, easy-to-use, accessible voting devices.

**With the passage of the VCA**, all registered voters will receive a ballot in the mail, and Vote Centers will be offered in place of traditional polling places. Vote Centers will be located throughout Sacramento County, offering voters more flexibility and additional opportunities to participate in the election process. Vote Centers are open to all voters, giving individuals the power to choose when, where, and how they want to vote. Each Vote Center will feature three accessible ballot marking tablets, providing voters with disabilities a convenient, accessible, and secure voting experience.

***"This is one of the most exciting aspects of our new voting system...these new touchscreen devices will help enhance and modernize the voting process."*** - Jill Lavine

Sacramento County Registrar of Voters
